

WHAT'S HAPPENING

Community Updates and Stories | SEPTEMBER 2018

CARING. ENGAGED. LISTENING.

We are looking forward to hearing from you on our annual resident satisfaction survey on **October 2nd**.

The survey is all online this year, so please make sure we have your current email address on file. Unfortunately, .mil addresses will not work so we need an alternate address.

SUMMER FEST WAS A HIT!

In case you missed it: we saw lots of residents come out to sample the fresh-grilled burgers and dogs. A DJ was spinning tunes and kids enjoyed the bouncy houses. Several folks even showed off their skills at the cornhole games.

Looking forward to more events where residents can mingle and enjoy themselves. Hope to see you there!

CEL RESIDENT SATISFACTION SURVEY COMING ON OCTOBER 2ND

Your participation in the annual CEL Resident Satisfaction Survey is vital to ensure we know how you feel about all the things we do right and areas where we can improve.

This important survey (which is completely anonymous to ensure you can be as candid as you would like) will come directly to your email inbox. Do we have your current email address? We are aiming for 100% participation!

We'll be giving away some great prizes, too! Watch for more details on prizes and events in the coming weeks.

Thank you in advance for your participation.

ONE MISSION. ONE COMMUNITY.

IMPORTANT DATES

SEPTEMBER 1

Back-to-School Luau at the Bangor Aquatics Center, 10AM-3PM. Inflatables in the pool, crafts on the deck, games on the patio. (360)315-2131

SEPTEMBER 5

WARM WEATHER REMINDERS

Here are a few things to keep in mind during the summer months:

- Wading pools are welcome in back yards, but can be no deeper than 12-inches. Adult supervision is required at all times while water is in the pool. Pools must be emptied daily and properly stored.
- School will be starting up again soon and that means there will be children walking to and from bus stops. You should always drive vigilantly, but please be sure to observe posted speed limits or 15MPH - whichever is LESS.
- Please remember to mow and tend to your fenced in back yards. If needed, call us at (888)335-3297 to find out what's available for you to use from self-help maintenance.
- **Window safety: help ensure the safety of your child by not letting them play near open windows. Remember: screens do NOT prevent falls.**

BBQ SAFETY

Summer is grillin' season so here are a few tips to help ensure everyone is doing all they can do to grill safely...

Never operate your grill closer than 10 feet from your home, wooden fence or overhanging branches. Cooking food in the front yard or covered balconies/patios is prohibited. Store gas tanks safely and inspect them often for signs of damage or rust. Never leave your grill unattended while in use. If using charcoal, make sure coals are completely cold to the touch before discarding.

As another reminder: tiki torches and fire pits are not permitted anywhere in the housing areas.

COMMUNITY REMINDERS

- Community center playroom and playgrounds: children should never be left unattended; clean up after yourself; use equipment safely and respectfully. If you notice anything needing attention please notify us right away.
- Do not feed or harass the wildlife. Do not leave pet food out or chase deer.
- Yard and garage sales are limited to Friday, Saturday and Sunday only. Items may not be left outside overnight. Signs may be posted only on neighborhood bulletin boards. Signs may be posted no sooner than 72 hours before the sale and must be removed by the end of the day of the sale. Signs are not allowed on road signs, utility poles, mailboxes, trees, etc.
- If large/bulky items won't fit in your weekly trash bin it must be taken offsite. Check out Kitsap County Public Works for details on what they can accept and where to go: <https://spf.kitsapgov.com/pw/Pages/waste-facilities.aspx> or call (360)674-2297
