NEIGHBORHOOD REMINDERS

- School is now in session and that means there will be children walking to and from bus stops. You should always drive vigilantly, but please be sure to observe posted speed limits or 15MPH - whichever is LESS.
- Please remember to mow and tend to your fenced in back yards. If needed, call us at (888)335-3297 to find out what's available for you to use from self-help maintenance.
- Winter weather will be here before we know it: do you have your outdoor faucet covers? Contact maintenance if you don't. Help avoid broken pipes this winter!
- **Window safety: help ensure the safety of your child by not letting them play near open windows. Remember: screens do NOT prevent falls.**

WILDLIFE

Help keep wildlife wild: view from a distance and do not feed wild animals, no matter how cute or needy they may appear. Please reduce the risk of more serious wildlife interactions by ensuring no pet food is left outside and that BBQ grills are as clean as possible and stored between uses. Wild animals that can easily get food from human interactions may become aggressive or just a nuisance. In either case, "problem" animals may have to be dealt with in a more permanent way (i.e. euthanized) instead of just letting them be wild. After all: animals were here long before we were. We should learn to live with them as best we can.

COMMUNITY REMINDERS

- Community center playroom and playgrounds: children should never be left unattended; clean up after yourself; use equipment safely and respectfully. If you notice anything needing attention please notify us.
- Yard and garage sales are limited to Friday, Saturday and Sunday only. Items may not be left outside overnight. Signs may be posted only on neighborhood bulletin boards. Signs may be posted no sooner than 72 hours before the sale and must be removed by the end of the day of the sale. Signs are not allowed on road signs, utility poles, mailboxes, trees, etc.
- If large/bulky items won't fit in your weekly trash bin it must be taken offsite. Check out Kitsap County Public Works for details on what they can accept and where to go: <https://spf.kitsapgov.com/pw/Pages/waste-facilities.aspx> or call (360)674-2297
