COMMUNITY NEWS

Holiday Decorating Reminder

It's decorating season, and we love seeing everyone in the holiday spirit! A quick reminder to keep our community safe and damage-free:

- No drilling, hammering, or screwing into the exterior; use gutter clips or quick-removal tabs instead.
- Roof decor and lighting above the first floor are not permitted, and climbing on the roof is strictly prohibited.
- Avoid overloading circuits and extension cords. Use timers or turn off decorations when you're away.

Please check your Community Handbook or call the office with any questions. Thank you for helping us maintain a safe, festive community!

UPCOMING UPDATES

We have a full lineup of events coming up next quarter—join us for the fun! Stop by the office to check out our upcoming programs and find something perfect for you.

As we enter the colder season, please take a moment to "dust off your heaters" and ensure they're in working order. If you experience any issues, let our maintenance team know so we can assist you promptly.

We're also looking for community representatives for the CAB (Community Advisory Board)! Join us on the 3rd Tuesday of each month at Bonefish Community Center to learn how you can get involved and make a difference in your community.

We look forward to seeing you!
